Maybe check in with Gail Fallon on talking with NPS. Their modeling contacts are John Notar and Don Shepherd.

Thanks,

Gail T.

Hi Gail,

Thank you to you and Rebecca for looking over the application and getting back to me. ND said they had made the NPS aware of the application on their state website but they haven't heard anything from them yet.

The refinery will be about 2.5 miles from Theodore Roosevelt NP, and the property was recently rezoned to be industrial to allow construction.

Hi Gail,

Do you have the modeling protocol for this project? I don't see it in the folder, unless I'm overlooking it.

Thanks,

Rebecca

Hi Gail,

Here is the link to the ND website with application materials for new projects:
<https://www.ndhealth.gov/AQ/PTCInProgress.aspx>

DJ and I were hoping you could take a look at the modeling report for the Davis Refinery, under Meridian Energy (6th project down on the page).

Thanks!
